PREFACE

Exploring the truth-path ahead for the building blocks have steadily steered the author towards a mission that was conceivably possible single-handedly through legal channels only. It was never a goal of the author. He was just following a certain form of yoga that is not known about that he called satya-advaita yoga, which seeks the truth through truth accommodation that led to discoveries on the material and spiritual dimensions of human existence.

The author puts all his attainments down to Fate at a personal level but a very strong theist found out the Self and the relationship between man and God. He had to continue with this yoga come what may and the outcome is for every one to see at 4.00 pm on the 22nd of May 2022.

Dear Reform UK

Your Party has just proven that it is very tolerant of the lack of justice, democracy and adherence to truth as a value system by stating to a Republican like me with his Party The Conservative Libertarian Party of the United Kingdom which upholds these values unlike you. Why else would you be writing on a subject title of 'Fwd: web designing' if it is not trying to trap me into some legal difficulties, that is further exacerbated by declaring openly that I have fraudulently used my attached membership of Reform UK Party (Certificate of Membership of Reform UK Party) which as far as I am concerned still is valid in law.

To a Conservative Libertarian silence speaks and the 2-3 occasions on which I telephoned Reform plus and several emails that I sent for immediate clarification of my membership in order to arrange payment of £50 by Direct Debit because of the need that I had in light of changing circumstances for the progression of my agenda of Mainstream Republicanism in the United Kingdom as attached: REPUBLICANISM MAINSTREAM IN THE UNITED KINGDOM-digital.pdf; and promised by the lady answering the phone that an email would be sent to me or a colleague of hers would telephone me back to take payment and these did not come until this morning, shows what I had always suspected that Reform UK Party are Monarchists in its most Dictatorial manifestation in the United Kingdom.

What is your reply to these accusations?

Yours sincerely

To

The Parliamentary Authorities

House of Commons

House of Lords

Central London County Court

Dear Honourable members of both Houses

After a day of legal interactions everything has been tidied up from my point of view.

From my experience of life in the United Kingdom going on 50 years I have now become a Republican but The Conservative Libertarian Party of the United Kingdom (TCLP-UK) of which I am the Leader believes in peaceful and legal transition from the present Constitutional Monarchy to a Republican State no matter how long that takes in years and what the final outcome of the shape of that Republicanism is.

As things are TCLP-UK has been directed unofficially by the Parliamentary authorities as I surmise our correspondence that I have had to go down the route of the ePetition to see if it will attract 10000 signatures for an official reply from the House of Commons to the specific contents of the Petition; and this is what I have done here:

<https://petition.parliament.uk/petitions/662817/sponsors/new?token=5E2Eaduj6JGBY6S9rdVV>

Thus, unless the Parliamentary authorities at the House of Commons and the House of Lords direct me otherwise, I will send out this link to the members of the population for consideration just on the limited contents of the petition.

I trust that I am keeping to the correct protocol with the approval of Parliament and the Central London County Court examining Claim E35YM660 for I must never be found to have been in contempt of Parliament or the Courts.

Yours sincerely

Hello, I am well Samuel; have learnt a lot through my travel journey but the Constitution of the United Kingdom needs amendment to make people and institutions across the board accountable to the public. I believe in Truth, Justice and Democracy but it is not possible without structural changes to the Constitution or how it is interpreted by vested interests for corrupt purposes. So to attempt to rectify this I went to the government and Parliament Petition website and started a petition: if you too are concerned about your future and the future of the country, consider signing this petition: Click this link to sign the petition:

<https://petition.parliament.uk/petitions/662817/sponsors/new?token=5E2Eaduj6JGBY6S9rdVV>

If I get 5 signatures, Parliament would have to make the petition go live, following which 10000 signatures would get a response from Parliament.

I think young people especially should sign the petition. Politics will always be in total shambles in the United Kingdom unless the Constitution is Amended.

SHANTANU,

Congratulations - you've just started the petition "Have an amended Constitution for the United Kingdom"

That's the first step done, but right now, no-one will know about your campaign unless you tell them. So we need to get some signatures and grow your campaign. If you can persuade 10-20 people to sign up, then that will start the ball rolling and before you know it the petition could really take off.

Here's some top tips on getting your all important first 20 signatures:

Step 1: Email your friends about the campaign.

Write a quick email to your friends asking them to sign your petition. Keep it short and punchy. Don't forget to make it clear how important this issue is to you and how your campaign can make a real difference. You can use the template at the bottom of this email to get you started.

Step 2: Share on Facebook and Twitter

The great thing about social media is it allows other people to start sharing your petition. For each person that clicks "share", on average more than 100 people will see your campaign.

Share your campaign on Facebook or Twitter.

Step 3: Add an image to your petition

Petitions with good images generally get three times more signatures, as people are more likely to sign and share them on social media. Be sure to use a non-copyrighted image that you have permission to use. If you don't have your own image to use, you can find a copyright free one here: <https://wordpress.org/openverse/>.

Once you've got an image you can add it to your petition here: Edit your petition.

Good luck with the campaign,

Robin, David, Megan and the 38 Degrees team

If you want some ideas on how to take your campaign further why not check out the 38 Degrees petition tips page here:

Hi,

I just started the petition "Have an amended Constitution for the United Kingdom" and wanted to ask if you could add your name too.

This campaign means a lot to me and the more support we can get behind it, the better chance we have of succeeding. You can read more and sign the petition here:

 Dear Reform Party

I tried to pay £50 in the Reform Party website yesterday evening as indicated to you a few hours earlier concerning my Membership of the Party but could not do so, a problem that I had encountered before. It seems that the Party has blocked me from being a member through the website processing of my application. If this is true, then there is nothing further to say about the matter and I will immediately stop from using the existing Certificate of Membership of Reform Party.pdf attached.

From your reluctance to entertain my policy reform as attached: METHOD FOR PROMOTING PETITION FOR AN AMENDED CONSTITUTION.docx, unless you change your mind this morning by emailing me, I shall cease to telephone you or to write to you again.

Yours sincerely

METHOD FOR PROMOTING PETITION FOR AN AMENDED CONSTITUTION

To

Parliamentary Authorities at the House of Commons, House of Lords and the Circuit Judge at the Central London County Court

Dear Honourable Members of the Houses of Parliament and Your Honour Circuit Judge.

1. With reference to the linked submission:

<https://www.knowledgeassessmentanddissemination.com/post/due-process-for-amending-the-constitution-of-the-united-kingdom>, I propose to issue the following letter to the population of the United Kingdom for your kind consideration:

Dear Fellow Citizens and Residents of the United Kingdom

Approved Objective Of The Petition
 Have an amended Constitution.

Institute a Select Committee Specially convened for the purpose as I have gone through all other processes of Parliament and it has not received a positive response.
To keep people better informed on who is in charge of procedures of the House of Commons and of the House of Lords, what the functions of the Consultant Psychiatrists, Chief Constables of Police Forces are and who are the officials against whom a citizen can successfully prosecute in civil and criminal courts of the United Kingdom.

Background Justification for the Petition

Hello, I have learnt a lot through my travel journey but the Constitution of the United Kingdom needs amendment to make people and institutions across the board accountable to the public. I believe in Truth, Justice and Democracy but it is not possible without structural changes to the Constitution or how it is interpreted by vested interests for corrupt purposes. So to attempt to rectify this I went to the government and Parliament Petition website and started a petition: if you too are concerned about your future and the future of the country, consider signing this petition: Click this link to sign the petition:

<https://petition.parliament.uk/petitions/662817/sponsors/new?token=5E2Eaduj6JGBY6S9rdVV>
If I get 5 signatures, Parliament would have to make the petition go live, following which 10000 signatures would get a response from Parliament.

I think young people especially should sign the petition. Politics will always be in total shambles in the United Kingdom unless the Constitution is Amended.

Update:

Had an hour-long Session with psychotherapist Jill Jesson between 10.00 am and 11.00 am
 She did Regression assessment identifying injustices that I suffered at ages 3 other abused by my father verbally as a tyrant saying he would throw her into the river from the boat trip we were on; 6 when my mother committed suicide and attempted to take the life of my younger sister; 11 when I was sexually molested by a man in India; 17 tyranny by father towards my brother and my brother towards me; 25 racial abuses in the United Kingdom and Police and Courts on a found drunk in a public place charge. The treatment she said was to write about these injustices at home in unsent letters to the abuser in as much detail as I could remember, and at the end of

each write up, place one palm of the hand over the forehead and the other palm over the naval button for 5 minutes. She said also not to leave it too long for the next Session and that 1-month interval would be best for the treatment process.

House of Commons

Dear Sir/Madam

With reference to the advice received from House of Commons Enquiries as follows:

'Select Committees

It will help you to know that Constitutional matters are already considered by a dedicated select committee in each House of Parliament: In the Commons, the Public Administration & Constitutional Affairs Committee is able to investigate topics concerning the UK constitution. Should you wish to contact them to suggest that they look into the question of a written constitution, the committee can be contacted at: pacac@parliament.uk' summarised and as linked here:

the following attached actions have so far been taken by The Conservative Libertarian Party of the United Kingdom (TCLP-UK): METHOD FOR PROMOTING PETITION FOR AN AMENDED CONSTITUTION.docx; LETTER EMAILING TO INDIVIDUALS_MY PETITION TO PARLIAMENT.docx

To prevent waste of time and resources in progressing the petition route, the Party needs to know whether the proposal is sustainable under the Current Constitution of the United Kingdom in that following 10000 signatures obtained, there will be a guaranteed consideration of the Amendment by your Committee.

If I do not receive a reply to this email, the TCLP-UK will abandon the petition route forthwith.
